**Flooring,
right the first time, on time.**

Floorcraft is a full service sales and installation company serving the Central Texas area as well as Houston & Dallas/Ft Worth Metro Areas.

Our mission is to furnish quality work in an efficient, dependable manner. We believe customer satisfaction is the foundation for our future. Perhaps that is why some of our clients have been with us from the very beginning.

Established in 1998, key players have over 40 years combined experience in the flooring industry. We specialize in most types of floor covering including:

- Carpet
- V.C.T.
- Sheet Vinyl
- Wood
- Ceramic Tile
- Quarry Tile
- Marble

References available upon request.

We have extensive experience on Commercial Hotel/Hospitality, Health-care, Church and Tenant Finish projects. Our main focus is commercial new construction and remodel/renovation. We also have experience in high end residential work.

It is always our goal to expand our client base. We would like to explore any possibilities of establishing a mutually beneficial working relationship with you. Our contact information is included. We hope to hear from you soon.

Floorcraft qualifies as a minority owned business.

Recent projects completed on several properties for the following hotel chains:

Project list available upon request.
